KIRBY ROSPLOCK SHORTLISTED FOR THE *FAMILY WEALTH REPORT* AWARDS 2015

Kirby Rosplock of Tamarind Partners has been shortlisted for the *Family Wealth Report Awards* in the category of Outstanding Contribution to Wealth Management Thought Leadership.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence during 2014'.

Commenting on her shortlisting, Kirby Rosplock, said: "I am delighted to have been shortlisted for this prestigious award. It is a great honour to be recognised for outstanding thought leadership and this is testament to hard work over the last 12 months.

ClearView Financial Media's Chief Executive, and Publisher of *Family Wealth Report*, Stephen Harris, was first to extend his congratulations to the shortlisted firms and individuals. He said: "The firms and individuals who have been shortlisted in these awards are all worthy competitors, and I would like to extend my heartiest congratulations. These awards are judged solely on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards will recognise the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in wealth management. Our aim is to make these annual Awards one of the brightest, and keenly contested highlights in the wealth management calendar."

Winners will be announced at a gala awards dinner, which will be held in New York on March 12, 2015 at the Mandarin Oriental.
